

Veterans Salute with Don Campbell

Sunday August 27 Concert at 2 p.m.

This afternoon promises to be a wonderful Salute to Veterans and a fitting way to conclude MAC's 25th Silver Jubilee. State flags will fly at the concert venue thanks to area Rotary and Lions Clubs. Area elected officials, police and fire chiefs are on hand to honor the Veterans, and the program is being filmed.

All veterans have free admission thanks to the generous donations of area businesses, organizations and individuals with the support of the Amesbury, Merrimac, Newburyport, Salisbury, Newbury, and West Newbury Senior Centers. Tickets for veterans are available from local COA Senior Centers. Refreshments will be served free of charge at intermission.

Don Campbell is a singer-songwriter, composer, and multi-instrumentalist performing in genres as varied as adult contemporary, country, Celtic, Christmas, bluegrass, and rock. The MAC Summer Concert Series is proud to conclude its Silver Jubilee season with Don Campbell's Salute thanking our veterans and their families for their service.
